with the Galaxy S.C. at the 2009
Great Lakes Soccer Challenge

September 18-20

Are Your Closets Filled with Old Cleats, Shin Guards and Uniforms?

DONATE THEM TO PEOPLE IN NEED!

Your gently used equipment may help someone else play for the first time!

Passback, an initiative of the U.S. Soccer Foundation, will be set up at the tournament to collect your gently used equipment.

All equipment will then be donated to local youth organizations that are in need of equipment so they can play the game we all love!

For more information on this collection, please contact Bruce Anderson at bandersonfmeinc@ameritech.net. For more information on the Passback Program, please visit passback.org.

Share the Equipment. Share the game!
