

Galaxy Soccer Club U23

Summer Soccer for Collegiate Athletes

Summer 2010

If you are receiving this letter, it is because you have expressed an interest in joining Galaxy Soccer Club U23. This will be our fourth summer as a U23 program and our goal is to help provide college athletes with an opportunity to continue to compete at a high level while away from school and maintain their fitness level in preparation for their fall seasons. The past three summers, we have had the pleasure of working with some very talented players from all levels of competition (NCAA DI-DIII, NAIA, NJCAA) and we look forward to continuing this in the upcoming summer. Listed below are the competitions that we will be participating in this summer:

ISSA U23 League: Consists of 8 league games from June 7th to July 26th. League games will be held predominantly on Wednesday nights. Our home fields for the league will likely be Lilly Cache Park in Bolingbrook, IL and the Naperville Polo Fields.

Tournaments: We will participate in two tournaments this summer. These are likely to be the Schwaben Men's Open (July 10-11 in Buffalo Grove, IL) and the Green-White Men's Open (July 17-18 in Mt. Prospect, IL).

Friendly Matches: We typically arrange several friendly matches in order to provide additional game opportunities for the players. These, along with the league and the tournaments, should amount to approximately 15-20 matches throughout the summer.

Training: We will look to train twice per week (numbers permitting) on Mondays and Thursdays. Sessions will be held at the Naperville Polo Fields and will likely run from 6:30pm-8:30pm.

Cost: The cost for the summer will be \$250. This will cover the registration fees, referees, field permits, tournament and league costs, as well as both a home and away uniform.

We are looking forward to another successful summer of soccer and if our program is something that interests you, or if you have any questions or concerns, please contact us at GalaxyU23@gmail.com. We hope that we can provide you with a good soccer environment in which you can remain fit and sharp for your upcoming fall seasons.

All the best,

Greg Yao
